April 2010

Dear Friend and Neighbor,

Talk to any individual with special needs and they will tell you that they want to be accepted, to be treated as any other individual and to have the same opportunities. Optimist Miracle Movers is being created to do just that. Our goal is to offer sporting leagues and programs for special needs individuals in Hendricks County and the surrounding Central Indiana area. We will continually strive to create a lasting club that will give these individuals as much opportunity to participate in leagues and programs just as any other individual would have the chance to.

With that being said we need awareness and money. We cannot succeed without these two things. Recruiting club members from our community is one way that we are gaining money, with a one time new member fee of \$30 and then a small amount of annual dues, we are attempting to build our financial future to keep this club running. However, it will take much more than that to keep us going as one of our dreams is to make the leagues/programs free to all participants. Medical bills get overwhelming at times and we would hate to see money be a factor in keeping any of these individuals from participating in these rare opportunities. In terms of awareness we have decided to show the public what our vision is by putting together two Exhibition Softball Games, Friday, May 21st at 6:30pm and Saturday, May 22nd at 9:30am. The games will give everyone a glance at what we are all about and what we want to offer to these most precious individuals.

The purpose of this letter today is that we need your help to get miracles moving. We ask you to please find it in your heart to be a sponsor for our exhibition games. Though we have the dream and the drive we need the funds to make it happen. Please see the attached sheet for our different sponsorship levels. A sponsor cookout will be held immediately following the Saturday game so that you may meet the players and those whose lives you have affected in a positive way. We thank you for your time and consideration.
